

## SEASONAL GARDENER POSITION DESCRIPTION January 2026

### **Seasonal Gardener (Part-Time Temporary On-Site)**

**Time Commitment:** 24 hours per week: April 6th-October 31st, 2026

**Days of the week:** Monday, Tuesday, and Friday

**Compensation:** \$25/hour

**Location:** East Harlem, Bronx and Brooklyn are the primary locations. Occasional travel to other Edible Schoolyard gardens in Brooklyn, partner schools in NYC or in between Harlem and Bronx. For example, a typical week might look like: Monday in East Harlem, Tuesday in East Harlem and the Bronx, and Friday in Gravesend Brooklyn.

### **ABOUT THE ORGANIZATION:**

Edible Schoolyard NYC (ESYNYC) is on a mission to make edible education accessible for every child in New York City. We believe edible education—where kids experience hands-on cooking and gardening—helps kids gain the skills to contribute to a healthy and sustainable food system for us all. We believe in a future where all children are empowered to make healthy choices for themselves, their communities, and their environments. Together with public school communities across the city, we're building spaces for kids to flourish.

During the 2024–25 school year, we partnered with 33 New York City public schools through our Core Schools, Mobile Education, Professional Development, and Technical Assistance models. Together, we delivered 1,167 hands-on edible education lessons and led 276 extracurricular activities, including after-school clubs and family cooking nights. Our programs reached 4,000 students, trained 410 educators to bring food and garden education into their own classrooms, and engaged 368 volunteers. Across our school gardens, students harvested more than 1,766 pounds of produce — from cilantro and figs to watermelon and collards.

Established in 2010, Edible Schoolyard NYC is a nonprofit organization committed to bringing Alice Waters' vision to New York City public schools. As the first official "Founding Edible Schoolyard" in the Northeast, Edible Schoolyard NYC has adapted the Edible Schoolyard Project curriculum and vision to fit the unique needs of NYC public school children. Now in our 15th year, Edible Schoolyard NYC is excited to continue deepening our impact at our Core School Partners as well as supporting schools and communities across New York City through

As an organization, the Values we live by include:

**Community:** We believe the greatest impact can only be realized by centering the

community in our work.

**Equity:** We commit to cultivating and advancing a culture of diversity, inclusion, and belonging as we strive for equitable opportunities for all.

**Stewardship:** We know it is our duty to respect and care for all around us: our environment, our community, and ourselves.

**Adaptability:** We listen, learn, and act in response to the ever-changing needs of those around us.

## **ABOUT THE POSITION**

Central to Edible Schoolyard NYC's mission is the production, maintenance, and beautification of its school gardens that support our work with students and school communities. The Seasonal Gardener is an essential member of the Garden Team during the spring, summer, and fall months. Responsibilities include assisting with garden builds, supporting volunteer events, and working independently on tasks developed in collaboration with the Director of Horticulture and Operations and the Garden Manager. The Seasonal Gardener will ensure that the garden is productive, tidy, safe and that it supports Edible Schoolyard NYC's teachers, curriculum, students, and our broader school communities. The ideal candidate brings strong organizational skills, effective communication, and is proactive and task-oriented.

### **Work will be performed primarily at these garden sites:**

- **PS 007 (East Harlem)** Located at 160 E 120th St. Garden includes 25+ raised beds, fruit trees, a rooftop garden and assortment of perennials, a greenhouse and an active compost system.
- **PS 109 (Bronx)** Located at 1771 Popham Ave. The garden includes 13 raised beds, an assortment of vegetables, herbs, small fruit trees and ornamentals.
- **PS 216 (Brooklyn)** Located at 350 Ave X. Close to ½ acre garden. Our largest site, the garden includes an assortment of fruit trees and vegetable beds, a pollinator garden, an active compost system and a greenhouse. This site also hosts weekly volunteers and a farmstand.

## **RESPONSIBILITIES**

- Perform aspects of gardening including, mowing, weed whacking, greenhouse management, planting, watering, harvesting, weeding, trellising, compost systems management and pest management.
- Manage vegetables, annual flowers and native plants throughout the season, including seeding, dead-heading, pruning, harvesting flowers, seed saving and propagation.

**EDIBLE  
SCHOOLYARD  
NYC**

- Maintain paths and meeting areas, remove litter from gardens, keep storage areas in good condition, and report any supplies and repairs needed to the Director of Horticulture and Operations.
- Perform summer cleaning on the toolshed, greenhouse, and other shared areas.
- Prepare the garden for community events and activities as needed.
- Coordinate with Program Managers on garden tasks, join garden meetings and maintain good records on shared tasks lists.
- Assist the Director of Horticulture and the Garden Manager with garden builds.

**QUALIFICATIONS**

- Passion for Edible Schoolyard NYC's mission.
- At least one year of gardening experience is required or the completion of a garden training program. An interest in urban farming/gardening or a willingness to learn is a plus.
- Excellent organizational skills, flexibility, and the ability to manage time and deadlines effectively.
- Good verbal and written communication skills.
- Able to work with a team and independently.
- Comfortable working around children in garden spaces.
- Comfort, familiarity, and interest in working with volunteers, staff and community members.

**PHYSICAL REQUIREMENTS AND WORKING CONDITIONS**

- Ability to stand, reach, and bend. Mobility of arms to reach, dexterity of hands to grasp and manipulate large and small objects.
- Ability to stand for long periods.
- Ability to lift, push and/or pull objects, which may be approximately 50 pounds.
- Willingness to work outdoors under varying adverse weather conditions.
- Ability to travel between sites.

**BENEFITS**

- Personal/sick and vacation time:
  - 1 hour of personal/sick time accrued for every 30 worked per pay period, up to 40 hours of sick/time
